¢

Correct Answers

Lesson: Money

Lesson Topic: Count money up to a dollar

Question 1:

30 cents

Question 2:

$25 + 25 + 10 + 10 + 10 + 10 = 90\text{¢}$

Question 3:

35¢

Question 4:

$25 + 25 + 25 + 10 + 10 = 95$ cents

Question 5:

60 cents

Lesson Topic: Count money up to a dollar word problems

Question 1:

Quarters $25\text{¢} + 25\text{¢} = 50\text{¢}$ Nickels $5\text{¢} + 5\text{¢} + 5\text{¢} + 5\text{¢} + 5\text{¢} + 5\text{¢} = 30\text{¢}$ Pennies 3¢ Final Answer $50\text{¢} + 30\text{¢} + 3\text{¢} = 83\text{¢}$

Question 2:

Three dimes

$10\text{¢} + 10\text{¢} + 10\text{¢} = 30\text{¢}$

A quarter

25¢

Customer payment

$30\text{¢} + 25\text{¢} = 55\text{¢}$

Question 3:

Quarters $25\text{¢} + 25\text{¢} + 25\text{¢} = 75\text{¢}$ Dimes $10\text{¢} + 10\text{¢} = 20\text{¢}$ Pennies 4¢ Final Answer $75\text{¢} + 20\text{¢} + 4\text{¢} = 99\text{¢}$

Question 4:

Quarters $25\text{¢} + 25\text{¢} + 25\text{¢} = 75\text{¢}$ Nickels $5\text{¢} + 5\text{¢} = 10\text{¢}$ Pennies 11¢ Final Answer $75\text{¢} + 10\text{¢} + 11\text{¢} = 96\text{¢}$

Question 5:

Dimes $10\text{¢} + 10\text{¢} + 10\text{¢} + 10\text{¢} + 10\text{¢} + 10\text{¢} + 10\text{¢} = 70\text{¢}$ Nickels $5\text{¢} + 5\text{¢} + 5\text{¢} + 5\text{¢} = 20\text{¢}$ Final Answer $70\text{¢} + 20\text{¢} = 90\text{¢}$
